

# FRIENDS OF THE DEL MAR LIBRARY NEWS

AUGUST 3, 2022

Thank you to Youth Services Librarian Emily Thayer for her awesome artwork.

## Cartooning for Kids and Tweens

The Friends are proud to support an awesome art experience on Wednesday, August 10 at 11:00am! Draw along with Children's Artist Kyle Tiernan to create three refrigerator-ready pictures. Funded by a generous grant from the Rancho Santa Fe Art Guild to the Friends of the Del Mar Library.

## 3D Printer Office Hours

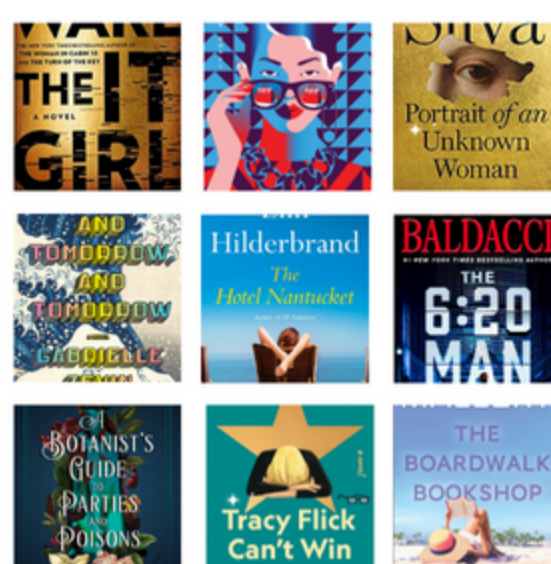

Del Mar Library volunteer Kim is the branch's new 3D printer docent. She will be available to consult about the printer during "office hours" on Wednesdays starting August 17 from 12-2pm. Customers may drop-in or schedule an appointment at 858-755-1666. No experience using 3D printers is necessary.

## New Book Section

### A Gift for Art Programs

Rancho Santa Fe Art Guild members Anne Benkendorf (left) and Jennifer Hurley (right) presented a \$500 donation to Pat Freeman, president of the Friends of Del Mar Library (center left) and Emily Thayer (center right), Youth Services Librarian, to be used for art education at the branch. This donation will fund the August 10th Cartooning activity for children and tweens.

### Online Membership

Join as a member of the Friends or donate online to support the programs at the Del Mar Library.

SUMMER CHALLENGE 2022 IS HERE!

JUNE 1ST - AUGUST 31ST

### Summer Activities for Kids and Adults

The 2022 Summer Learning Challenge is a series of learning opportunities for all ages to read, learn, and create new things this summer while school is out of session. The program is designed for all ages so entire families can participate together. The [SDCL website](#) has a variety of options for participating in the Summer Learning Challenge – you can read books or enjoy interactive activities. Visit the Del Mar Library to pick up coupons, activity books and prizes. Virtual badges are available online. Activity books are designed for kids, teens, and adults, and will be available in six languages: English, Spanish, Arabic, Chinese, Filipino, and Vietnamese.
